A verdade nasce onde o pensamento é livre.

shall ever be considered legitimate.

- That democracy, though imperfect, is the only system where the people are sovereign, not subjects.
- That freedom of thought, speech, and choice are not privileges, but universal rights.

Totalitarianism — in all its masks, whether fascist, communist, theocratic, or oligarchic — is the **enemy of humanity**. It extinguishes the flame of the individual, poisons nations, and leaves only ruins behind.

We proclaim:

Never again fear. Never again silence. Never again chains.

The future belongs to open societies, free citizens, and the unbreakable power of the people.

☀ **Totalitarianisms must be banned from Earth.**

For freedom. For truth. For humanity.
